## **A Thug's Love 2** Jessica Watkins

Once I was released from prison, I thought that all of the heartache was over. I was back with my family, and I assumed that the nightmare had come to an end. Little did I know, the nightmare had actually just begun. Everybody around me was keeping secrets that would send me right back to a dark place; a place way worse than the prison that I had just emerged from. This time of my life was supposed to be my "happily ever after the bullshit." King's empire was bringing in more money than he could count. I was about to get the wedding of my dreams. On the outside, things looked so perfect, and I was beyond happy. In fact, I was so happy that I didn't see the deceit that was happening right under my nose. They say that every friendship, every relationship, is bound to fall apart when you start keeping secrets. That couldn't be truer with King, Meech, Siren, Dolla and Jada. They were all keeping secrets that would tear apart our family and our business, and I was too busy in my own immense happiness to even see it. But soon I would. Merely weeks after my release, I would find myself, once again, in a world that was turned upside down, and yet again, all of the blame would fall on my undying loyalty to my King.
