REVISED 2016 EDITION! Blessed Is The Man is a unit study format curriculum for Jr. High and High School aged young men, based on Psalm One. It covers all typical subjects for a complete high school education, including basic life skills, a variety of business & vocational skills, introductions to many different careers and their requirements, as well as including many suggestions for expanding into specialized areas of interest. The curriculum also includes a great deal of business and vocational training to prepare the student for the world of work without further formal education.

In addition to the academics, **Blessed Is The Man** is designed to train young men to fulfill their roles as future leaders in their family, church and community life, with an emphasis on growth in Christian character and the development of godly priorities.

No boring textbooks, no "canned" curriculum. Students choose what they want to focus on, and how they want to study it.

Blessed Is The Man is meant to be a "self-directed" curriculum, which can be customized by both parents and the student, to best fit your young men's interests, goals and learning style. Students "pick and choose" the assignments and topics they wish to focus on to fulfill their course requirements.

What Else is Needed? Although most required college prep courses are included in Blessed Is The Man, you will need to add higher math and perhaps some additional science, depending on your specific goals.
