God is love—there are few more quoted statements from all of Scripture. Although wonderfully simple, the idea that God is fundamentally loving is incredibly profound. And yet, sometimes we confuse God's love with our human understanding of love—an understanding that is inherently imperfect, sometimes self-serving, and often fickle. Helping us walk in the belief that *God is love*—not that *love is God*—this book explores what the Bible actually teaches about how and what God loves. Readers will discover that, although we often misunderstand, misuse, and take for granted God's love, it's actually more wonderful, pure, and satisfying than we ever imagined.
