Stolen Rebecca Muddiman

When Abby Henshaw is brutally attacked by two strangers in the countryside, her first thought is for the safety of her baby daughter, Beth. But what follows is a mother's worst nightmare: Beth is gone and Abby's world collapses around her. As DI Michael Gardner begins to investigate Abby and her family, he discovers lives built on secrets and betrayals. Under pressure from his bosses to find the missing child and to unearth the truth, Gardner finds himself struggling to stay emotionally removed from the case, and from Abby herself. After the authorities finally shelve their investigation, Abby receives a message telling her where she can find her daughter. But how can she convince those around her that the girl really is Beth when they are the very people she knows least? A gripping and haunting debut, *Stolen* is a richly imagined psychological thriller from an exciting new talent in crime writing.

John Burns:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Stolen can make you feel more interested to read.
