There's no such place as far away Richard Bach

When she was about to turn five, a little girl named Rae Hansen invited Richard Bach to her birthday party. Though deserts, storms, mountains, and a thousand miles separated them, Rae was confident that her friend would appear. *There's No Such Place As Far Away* chronicles the exhilarating spiritual journey that delivered Rae's anxiously awaited guest to her side on that special day--and tells of the powerful and enduring gift that would keep him forever close to her heart.

Written with the same elegant simplicity that made *Jonathan Livingston Seagull* a bestselling phenomenon, *There's No Such Place As Far Away* has touched the hearts of thousands of readers since its first publication in 1979. Richard Bach's inspiring, now-classic tale is a profound reminder that miles cannot truly separate us from friends...that those we love are always with us--every moment of the infinite celebration we call life.
