This book provides you with a theoretical and comparative understanding of the major topics related to elections and voting behaviour. It explores important work taking place on new areas, whilst at the same time covering the key themes that you'll encounter throughout your studies.

Edited by three leading figures in the field, the new edition brings together an impressive range of contributors and draws on a range of cases and examples from across the world. It now includes:

- New chapters on authoritarian elections and regime change, and electoral integrity
- A chapter dedicated to voting behaviour
- Increased emphasis on issues relating to the economy.

Comparing Democracies, Fourth Edition will remain a must-read for students and lecturers of elections and voting behaviour, comparative politics, parties, and democracy.
