The Younger Evangelicals: Facing the Challenges of the New World Robert E. Webber

Robert E. Webber has led worship workshops in every major city in the United States and Canada. Through his conversations and contacts with a network of emerging church leaders he calls the "younger evangelicals," Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church. These leaders, who include those young in spirit as well as young in age, have important insights to offer all generations faced with "doing church" in a rapidly changing postmodern culture.

The Younger Evangelicals explores the characteristics of these emerging leaders and provides an outlet for their stories. Beginning with a brief overview of twentieth-century evangelicalism, Webber examines what is different about the twenty-first century younger evangelicals' way of thinking about faith and practicing church. He allows them-Ph.D.s and laypeople-to speak in their own words on issues such as communication, theology, apologetics, pastoral leadership, evangelism, worship, and spiritual formation.

Thought provoking, energizing, and timely, The Younger Evangelicals is a landmark book for pastors and church leaders, culture watchers, ministry students, and worship leaders who want to prepare for and respond to the new evangelical awakening brought on by our changing cultural context.
