Criminology: An Interdisciplinary Approach

Anthony Walsh, Lee Ellis

Criminology: An Interdisciplinary Approach Anthony Walsh, Lee Ellis

This unique text offers an interdisciplinary perspective on crime and criminality by integrating the latest theories, concepts, and research from sociology, psychology, and biology. Offering a more complete look at the world of criminology than any other existing text, authors Anthony Walsh and Lee Ellis first present criminological theory and concepts in their traditional form and then show how integrating theory and concepts from the more basic sciences can complement, expand, strengthen, and add coherence to them.
