Hitler's Fortune

Cris Whetton

Hitler's Fortune Cris Whetton

In 1918 Adolf Hitler was penniless: within 25 years he was probably the richest man in Europe. In his fascinating book the author sets out to discover not only the extent of Hitler's fortune but how it was amassed and with whose help. He finds that royalties of Mein Kampf represent only the tip of the iceberg. His publishing company Eher Verlag and his fund Adolf Hitler Spende, which many 'voluntarily' contributed to, turn out to be much more important.

We learn how Hitler's attraction to the opposite sex proved hugely lucrative.

This book also traces what happened to the property, the funds, the art collection, and other items after 1945 and reveals who is - and who is trying to -profit today from the legacy of Adolf Hitler. Amongst items never before revealed is recently discovered evidence for two of Hitler's bank accounts; the truth about the financing of Hitler's publishing empire; and many other previously undisclosed facts.
