How to present and sell one's creations to dealers and wholesalers

Clear, full-color, step-by-step photos demonstrate the methods of fashioning metals by heating, hammering, casting, soldering, riveting, polishing, finishing, and adding surface decoration. At-a-glance panels explain how to apply the right techniques when working in specific metals, as well as ideas for experimenting with inexpensive substitutes before advancing to precious materials. Here's the perfect book for transforming hobbyists into true professionals. It will also serve as a useful textbook for those conducting organized courses in jewelry design. Color photos on every page.
