**Poor Toni Tripps is not getting all that she hoped for**, even though her Vegas hotel is full of wealthy lawyers. Conference delegates giggle, pout and protest in the bars, are pursued down hallways and are definitely debauched, nightly or more. Other delegates, but not her. Poor Toni hopes that she didn't come all this way just to end the evenings in quality time with her rabbit.

**Her new dark, sultry friend Kayla** thinks she may have the answer. Toni's reluctant to try Kayla's shocking suggestion at first, but when she and Kayla do pop the little pills, their libidos both rocket, their IQ's plunge and their underwear is heading south.

**A hapless, hunky bellhop** is the first victim of their unstoppable lust, before the two transformed women are taken forcefully by five strong, unscrupulous male lawyers.

If five hardened lawyers have their way with two women under the influence, a *hard, forceful* climax with *no protection* is coming
