Kindle Formatting and Publishing in Three Easy Steps

Ronald L. Conte Jr.

Kindle Formatting and Publishing in Three Easy Steps Ronald L. Conte Jr.
This book is suitable for use by beginners as well as persons with some experience in formatting Kindle books or web pages. The first three chapters explain the formatting and publishing of a Kindle book by a three step process: (1) Formatting Your Book, (2) Adding Kindle Coding, (3) Publishing Your Book. This instruction does not assume prior knowledge of Kindle coding (which is a modified form of web site design code). The publishing chapter shows you how to publish your Kindle book through Amazon, as well as how to self-publish your ebook using the Mobipocket software. Detailed step-by-step instructions are given, with advice on promoting your book online. Subsequent chapters offer more advanced formatting options and helpful instruction on working with images and designing a cover. Advanced coding topics include: complex layout options, block quotes, cascading style sheets, CSS classes, in-line styles, tables of data, photos and graphics, and more. The chapter on images includes instructions for making a professional-looking cover, with minimal graphic design skills. The Appendix to this book contains Sample Coding, so that you can review the complete coding for two different publications, in Kindle format. The first sample is the Declaration of Independence, coded for Kindle. The second sample is the U.S. Constitution and Amendments, with table of contents links and clickable endnotes. All Kindle formatting for both samples is visible to the reader.

Truman Gallagher:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Kindle Formatting and Publishing in Three Easy Steps can make you feel more

interested to read.
