### Winner of:

2015 Rainbow Award Winner; Best Bisexual, Transgender & LGBT Debut

A photographic essay that explores a wide spectrum of experiences told from the perspective of a diverse group of young people, ages 14–24, identifying as queer (lesbian, gay, bisexual, transgender, or questioning), *Speaking OUT: Queer Youth in Focus* presents portraits without judgment or stereotype by eliminating environmental influence with a stark white backdrop. This backdrop acts as a blank canvas, where each subject's personal thoughts are handwritten onto the final photographic print. With more than 65 portraits photographed over a period of 10 years, the book provides rare insight into the passions, confusions, prejudices, joys, and sorrows felt by queer youth and gives a voice to an underserved group of people that are seldom heard and often silenced. The collaboration of image and first-person narrative serves to provide an outlet, show support, create dialogue, and help those who struggle.
