Tom Brown's Schooldays (Oxford World's Classics)

Thomas Hughes

Tom Brown's Schooldays (Oxford World's Classics) Thomas Hughes

One of the classics of English children's literature, and one of the earliest books written specifically for boys, this novel's steady popularity has given it an influence well beyond the upper middle-class world that it describes. It tells a story central to an understanding of Victorian life, but its freshness helps to distinguish it from the narrow schoolboy adventures that it later inspired. The book includes an introduction and notes by Andrew Sanders.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
