Dispute Resolution and Conflict Management in Construction: An International Perspective

Many construction conflicts and disputes are not limited to particular jurisdictions or cultures, but are increasingly becoming common across the industry worldwide. This book is an invaluable guide to international construction law, written by a team of experts and focusing on the following national systems: Australia, Canada, China, England and Wales, Estonia, Hong Kong, Iraq, Ireland, Italy, Japan, Malaysia, the Netherlands, Oman, Portugal, Quebec, Romania, Scotland, Sweden, Switzerland, and the USA. The book provides a consistent and rigorous analysis of each national system as well as the necessary tools for managing conflict and resolving disputes on construction projects.
