## **Louis XIV** Anthony Levi

A nation exceedingly rich and extraordinarily powerful, its arts unparalleled in elegance and excellence, France in the seventeenth century mirrored the monarch who ruled it: Louis XIV, heritor not only to the throne of his country but also, supposedly, to the powers of the mythological sun god Apollo. Known as le roi soleil—the sun king—and vested with unprecedented power and privilege, for fifty years Louis epitomized the glory that was France. On the dark underside of the monarchy's grand, gilded looking glass, however, lurked peasant starvation, financial bankruptcy, military defeat, and the deaths of thousands—all of which would plague the conscience of the king. It is in the struggle of the lofty sun king, who at least half-believed in his quasi divinity, to reconcile his extravagant persona with the shortcomings, flaws, miscalculations, and failures of an ordinary mortal that the fascination of this new, intricate, and controversial illustrated biography lies. Indeed, at the heart of Anthony Levi's probing study brews the conflict between Louis XIV's regal infallibility and his human, often tragic and far-reaching errors. Out of it emerges a complex personal portrait of one of the most politically effective monarchs ever to reign in Europe.

### From reader reviews:

#### Angel Gardner:

What do you think of book? It is just for students as they are still students or that for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book Louis XIV. All type of book are you able to see on many sources. You can look for the internet solutions or other social media.

#### Angela Smith:

Nowadays reading books become more and more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining for example comic or novel. Often the Louis XIV is kind of e-book which is giving the reader unforeseen experience.

#### Sylvia Cunningham:

Why? Because this Louis XIV is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such amazing way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the reserve store hurriedly.

#### Jeffrey Blough:

This Louis XIV is brand new way for you who has fascination to look for some information since it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Louis XIV can be the light food for yourself because the information inside this book is easy to get through anyone. These books build itself in the form that is certainly reachable by anyone, yeah I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there isn't any in reading a guide especially this one. You can find actually looking for. It should be here for a person. So , don't miss it! Just read this e-book style for your better life and also knowledge.
