The photograph at the heart of this book is Robert Capa's world-famous shot of the Allied landing in 1944, and the authors of this remarkable work have gathered interviews, testimonials, contact sheets, and over forty pages of photographic archives from the Magnum Photos agency to fill in the history behind a single moment, captured forever on film.

Using a combination of traditional comics narrative, photography, and nonfiction text, *Omaha Beach on D-Day* is a rich and accessible fresh take at a crucial moment in 20th century history.
