A dangerous romance unfolds between two men and the woman who's captured both of their hearts, but their love is haunted by the ghosts of the Revolutionary War in 1784 Sleepy Hollow, New York. This print edition includes the novel *Haunted Passions*, as well as the novella-length prequel, *Whiskey Dreams*, both part of the Sleepy Hollow Series. *Whiskey Dreams*: The war that won the country its independence also lost many of the men who fought to achieve it, including Brom's lover. Years later, he still feels as if he left half of himself on the battlefield. When a new schoolmaster comes to Sleepy Hollow, a spark and a whiskey-flavored kiss ignite feelings he thought were long dead. But in order to be with John, he'll have to let the past be the past, or risk letting it destroy his opportunity to start over. And even then, loving another man is a dangerous endeavor. *Haunted Passions*: Losing one's heart to another man is dangerous enough without the added threat of a supernatural terror. But that hasn't stopped John Crane and Brom Bones from falling hard in love – with each other, and with the alluring Katrina Van Tassel. When Brom becomes engaged to Katrina, John is sure the wedding will tear him and Brom apart, and their love sparks a struggle between passion and loyalty. But Brom is determined to keep both of his lovers, and Katrina has some secret desires of her own – desires that haunt only the wildest of John's dreams and blur the lines they've all been fighting not to cross. Is it possible for three people to be in love? Their passion won't be enough to keep them together if something isn't done about the evil that's haunting Sleepy Hollow: a headless horseman who rides to kill.
