The First Apartment Book: Cool Design for Small Spaces Kyle Schuneman, Heather Summerville
Star designer Kyle Schuneman offers bold ideas for achieving big style in small spaces—on any budget.

A first apartment allows you to finally do what you want with your own space, but it can be tricky to decorate. Luckily, twenty-seven-year-old decorating prodigy Kyle Schuneman knows that a paper-thin wallet and four plain walls don't have to stand in your way, and the ten amazing, real apartments in this book show it.

From coast to coast, these fabulous first homes are the perfect balance between cool design and comfort, and they offer plenty of practical ideas for making your apartment feel open, organized, and inviting. Examples include:

■ Multifunctional studios
■ A loft that was sectioned into livable areas
■ Cookie-cutter apartments with one-of-a-kind personality
■ Shared spaces that accommodate different decorating tastes
■ Fantastic examples of how to display collections, hide unsightly stuff, and manage picky landlords

Kyle's creative solutions reveal how you can make your space feel much larger than it really is—and how it can reflect your passions, your travels, and your location. He will inspire you to use your surroundings for decorating ideas (think taxi-cab-yellow accents in New York or graffiti-like dip-dye curtains in Seattle). Short on time and long on style, the thirty DIY projects here include no-sew pillows and a dresser update using a little glue and decorative paper.

Full of bold, vibrant photos, an extensive resource section, and hundreds of big ideas for small spaces, this book proves that there are no limits on how spacious and how cool your first apartment can feel.

From reader reviews:

Ellen Jones:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This The First Apartment Book: Cool Design for Small Spaces is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

Chester Grantham:

Nowadays reading books be than want or need but also be a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining like comic or novel. The particular The First Apartment Book: Cool Design for Small Spaces is kind of reserve which is giving the reader capricious experience.

Jennifer Case:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The First Apartment Book: Cool Design for Small Spaces can make you feel more interested to read.

Kevin Caputo:

A number of people said that they feel uninterested when they reading a e-book. They are directly felt the idea when they get a half elements of the book. You can choose typically the book The First Apartment Book: Cool Design for Small Spaces to make your own reading is interesting. Your current skill of reading skill is developing when you including reading. Try to choose basic book to make you enjoy to see it and mingle the idea about book and reading especially. It is to be initial opinion for you to like to start a book and read it. Beside that the publication The First Apartment Book: Cool Design for Small Spaces can to be your brand-new friend when you're experience alone and confuse in doing what must you're doing of that time.
