David Collins has one thing on his mind—air conditioning. With his house heating up to intolerable levels in the scorching Las Vegas sun, he ventures into the neighborhood to investigate the power failure. What he discovers will shake him to the core.

Most of the cars in his block won't start. Cell phones are useless. His suburb is silent.

Quickly coming to grips with the dire implications of their situation, David and his wife decide to evacuate the city with another family. A plan that sounds simple enough until you factor in a psychotic neighbor, desperate locals and opportunistic militia.

EVADE is the first novella in a three part series, chronicling the post-apocalyptic nightmare inflicted on two families, while Leaving Las Vegas.
