Wolf John Legg

Like many men prowling the Western frontier, John Schilling is a bounty hunter. But he's not your common man-hunter. Schilling is a shape shifter, with powers far beyond those of regular men. When Schilling rides into Lupine, Colorado, a complication arises in the slender, beautiful form of Meg Travers. And when lycanthrope-hunter Professor Leopold Jaeger teams with the area's top dog, Luther Pettigrew, Schilling gets more than he bargained for, and he finds himself in a position he never been in before — helpless. But aid comes from a most unlikely source. Now unfettered, he gives free rein to the wolf side of his nature, and God help those who get in his way.
