Hell called to his soul, but his soul resisted. Or that's what Asher Terhune believed. Born from the demonic seduction of his human mother, his birth destroyed her marriage. They were left with only a Guardian and Watcher to protect them from his demon heritage. Born with a half-soul, Asher quickly learned to use the Seven Deadly Sins to fill the hole inside himself. His favorite sin was Lust. Women had no chance of a second night with Asher, once he was done with them. And he had no intention of changing his ways. Until the sweet, calm, caring Sarah Illfrig rocked his world, and refused his bed. Asher found her refusal unacceptable and took on the challenge of seducing her. Sarah pushed him away even as the desire she felt for him was pulling her in. But Sarah harbored her own secrets, and when the Guardian and the Watcher found out, it became imperative to keep Sarah and Asher apart. ****CONTENT WARNING: This book is intended for mature audiences.
