Mid-Atlantic Trout Streams and Their Hatches: Overlooked Angling in Pennsylvania, New York, and New Jersey (Trout Streams) D. Craig Josephson, Bryan C. Meck, Charles R. Meck

The author of *Pennsylvania Trout Streams* has chronicled 44 new streams across Pennsylvania, New York, and New Jersey—all spots where you can still find quality angling without a crowd.

Each description includes a rating, map, hatch chart, and more. Pennsylvania is world renowned for the quality of its fly-fishing—but the state is in danger of being loved to death by its anglers. In this eagerly awaited companion volume to *Pennsylvania Trout Streams*, Charles Meck offers state anglers—along with those in neighboring New York and New Jersey—descriptions of 43 of his own secret streams. These are spots where you can still find blizzardlike insect hatches and catch wild and stream bred trout—in total solitude.
