Set your imagination flying—with 40 stellar paper airplane designs to choose from. There's no need for glue, scissors, or tape; just follow the directions on selecting and folding the paper, and use the principles of flight (explained in the book) to get great results. Start with some classic designs, including the dart and gliding toy. For something extra-aerobatic, make a stunt plane that will loop the loop, and even return to you after you launch it. Stunning color photographs of the finished models, plus detailed diagrams and hints, help novice pilots soar!
