Studying the Bible, God's Word, is an important part of the Christian life.

God has given us His Word so that we might know Him, His character, His plans and purposes for us, and His love for us. He has also given us this amazing book of books to show us how He used ordinary men and women, who were not perfect, to tell others about Jesus.

This short guide is intended to help you start studying the Bible with as little as 10 minutes per day! Hopefully, after getting started, you will want to expand that time to more minutes each and every day! The real key is just getting started and making that commitment to set aside the time for God.

Begin by thinking about when you have some quiet time in your day. Are mornings better than evenings or will you have more time alone on your lunch hour? It is important that you have at least 10 minutes without interruption. The biggest part of any Bible study is being able to hear the voice of the Holy Spirit as you read and meditate on God's Word.

By utilizing the spiritual resources of prayer and God's Word along with translations, dictionaries and concordances, your daily study will help you to grow in wisdom and understanding. Not only will God reveal his character to you, but he will begin to reveal his will for your life and his plans for his creations.

Are you ready? Let's begin!
