Level 1 guides are recommended for grades 2-3. Each guide is designed to be completed in five weeks, which allows students to work through six to eight guides in a typical school year. What happens when the worst kids take over the Christmas pageant? The Herdman kids lie, steal, smoke cigars, swear, and hit little kids. So no one is prepared when this outlaw family invades church one Sunday and decides to take over the annual Christmas pageant. Thanks to the Herdmans, the pageant is transformed into the most unusual anyone has seen and, just possibly, the best one ever. Transforming the language arts program by establishing a tradition of literary exploration has profound results. Blackbird & Company literature discovery guides enable students to independently analyze and respond to great stories while freeing up the teacher's schedule to read and discover alongside their students. Empowering teachers to become mentors releases them from the confines of a tedious, and often frustrating, language arts schedule and affords golden opportunities to nurture the child's heart and mind.
