Slaying the Dragon: Mythmaking in the Biblical Tradition

Bernard F. Batto

Slaying the Dragon: Mythmaking in the Biblical Tradition Bernard F. Batto

In *Slaying the Dragon: Mythmaking in the Biblical Tradition*, Bernard Batto argues that biblical authors, like other ancient Near East authors, used mythic traditions in composing their works. Batto joins massive evidence with masterful argument to show that myth actually lies at the heart of the theological enterprise of the biblical authors. *Slaying the Dragon* is sure to provoke discussion on the theological relevance of myth in the biblical tradition.
