## **The Demon Apostle (The DemonWars Saga) R.A. Salvatore**

With the demon dactyl and its foul minions defeated, the war-weary citizens of the kingdom of Honce-the-Bear wish only to begin rebuilding their broken lives. Yet the specter of civil war haunts the ravaged land--and a specter more fearsome still. For the demon, though defeated, was not destroyed. And now its vengeful spirit has found an unholy sanctuary.

The elf-trained ranger Elbryan Wynden presses north to reclaim the savage Timberlands from retreating goblin hordes. His companion, Pony, mistress of gemstone magic, turns south to the civilized--but no less perilous--streets of Palmaris. Suddenly they find themselves caught up in a ruthless power struggle to decide the fate of all Corona--a struggle that will push their courage and love to the breaking point . . . and beyond.
