The Mills' series concludes with *The Middle Ages*, where students are privileged to see how Christianity spread out, building a new civilization on the remnants of the Roman Empire. From the foundation of monasteries to the bell-towers of universities, from the crowning of Charlemagne to the execution of Joan of Arc, the travel through Christendom unfolds beautifully.

The preceding volumes in this series are also published by Memoria Press. They are *The Book of the Ancient World*, *The Book of the Ancient Greeks*, and *The Book of the Ancient Romans*.
