The Soft Machine

William S. Burroughs

The Soft Machine William S. Burroughs

In *Naked Lunch*, William S. Burroughs revealed his genius. In *The Soft Machine* he begins an adventure that will take us even further into the dark recesses of his imagination, a region where nothing is sacred, nothing taboo. Continuing his ferocious verbal assault on hatred, hype, poverty, war, bureaucracy, and addiction in all its forms, Burroughs gives us a surreal space odyssey through the wounded galaxies in a book only he could create.
