Combines all of the hard-hitting information in the Occupational Outlook Handbook with a concise, reader friendly section on choosing a career and landing a job. Section I: "The Job Seeker's Guide" includes advice on exploring career options, writing cover letters and resumes, finding job leads, building a job-search network, mastering the interview, and launching your career. Section II: "The Occupational Outlook Handbook" is filled with data on over 250 careers. For each job listed, this section presents information on the nature of the work, working conditions, training qualifications, job outlook, earnings, related occupations, and sources for additional information.
