CCNA Interview questions Sachin p

The CCNA® certification is one of the most reputed and respected courses in the computer networking industry. This EBook is ideal for candidates who have completed or pursuing CCNA® certification and intending to go for an interview, which requires the CCNA® certification. The questions in the EBook would help you to perform a self assessment of the concepts learnt during the CCNA® course and how well you have understood the same. Scenario and topology based questions with answers are also included in the eBook.
