## **Counseling Children: A Developmental Approach** Charles L. Thompson

Unparalleled in its translation of theory into practice, counseling children covers the most practical and up-to-date methods for developing effective approaches to counseling children. The authors provide a comprehensive yet easy-to-read text that includes useful strategies and case studies from actual counseling sessions to present a realistic look at the field. Counseling children presents a development approach to counseling that considers age and stage differences in counseling children, adolescents, and adults.
