## **Deadly Dozen: Twelve Forgotten Gunfighters of the Old West** Robert K. DeArment

Wyatt Earp, Billy the Kid, Doc Holliday-such are the legendary names that spring to mind when we think of the western gunfighter. But in the American West of the late nineteenth and early twentieth centuries, thousands of grassroots gunfighters straddled both sides of the law without hesitation. *Deadly Dozen* tells the story of twelve infamous gunfighters, feared in their own times but almost forgotten today. Now, noted historian Robert K. DeArment has compiled the stories of these obscure men. DeArment, a life-long student of law and lawlessness in the West, has combed court records, frontier newspapers, and other references to craft twelve complete biographical portraits. The combined stories of *Deadly Dozen* offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West. More than a collective biography of dangerous gunfighters, *Deadly Dozen* also functions as a social history of the gunfighter culture of the post-Civil War frontier West. As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N. Lake for Wyatt Earp in 1931, DeArment-himself a talented writer- brings these figures from the Old West to life. John Bull, Pat Desmond, Mart Duggan, Milt Yarberry, Dan Tucker, George Goodell, Bill Standifer, Charley Perry, Barney Riggs, Dan Bogan, Dave Kemp, and Jeff Kidder are the twelve dangerous men that Robert K. DeArment studies in *Deadly Dozen: Twelve Forgotten Gunfighters of the Old West*.
