Foundations of Community Health Nursing: Community-Oriented Practice, 1e Marcia Stanhope, Jeanette Lancaster

This new, concise community health nursing text draws all the essential, must-know information from the popular text, COMMUNITY AND PUBLIC HEALTH NURSING by the same authors, into one accessible, streamlined resource. It offers the same "community-oriented" focus, with an emphasis on health promotion and disease prevention highlighting practical applications throughout. Separate sections are devoted to key aspects of community health nursing, including the roles a community health nurse might undertake, family and individual care, and care of vulnerable populations.
