Earn the Extra Money You Need Without Learning a New Skill

Have you been looking for ways to make extra money?

Maybe you want to help with the finances, but need a way to work from home because of the kids, and you would like something that still allows you to be mom or dad while you help.

My name is Josh Slone and I wrote this book to help people like you achieve more flexibility in their life by creating a Freelance Writing Business on the Side.

This can be accomplished by just about anyone, and you don't need a degree. A basic knowledge of grammar is nice, but it can all be fixed easily.

You may have seen books, websites, and make money blogs that claim teach you how to make extra money online fast. Some may even look legitimate.

You just don't know if you have the know how to do some of these tactics.

Even if you learn the ways of starting an online business; it can take months or even years to finally get to a profitable point.

That's what is so great about freelancing

I used the strategy in this book to make \$1200 in my first 3 weeks. I don't have an English Degree, and I had very little (like none) writing experience before I started.

But this business has allowed my wife to work less, my family to eat healthier, and to take more vacation time to travel (we can work from anywhere!). None of it would be happening if not for me beginning to freelance.

There are so many people, places and websites that need writing and they are just searching for someone to

write it. I am finding new clients every single week, and there are plenty more.

If you have been freelancing already this book may not be for you, but I like to think that there may be a tip or two for experienced writers.

This book offers a straightforward, simple plan for you to go from where you are now to a full-fledged content provider.

All of the steps in the process can be done in less than 30 days, but are made to be flexible and fit your lifestyle.

That's the purpose of the book. To put extra money in your pocket without having to get another job. You aren't going to be a millionaire after reading this book (not likely anyway), but you may be able to:

- Afford a family vacation
- See your family more
- Stay at home with the kids
- Work less at a job you hate
- Have a little extra in the account

Other Things You will find in this book

1. Free Bonus Gift
2. The Process I Used To Build My Business (The same one you can use)
3. Why Clients Aren't Hiding and The One Way to Easily Find Them
4. How to Easy Take This Business Full Time In Part Time Hours
5. Why Successful Writers Are More Productive
6. 3 Bonus Sections!!! (Including one from Best Selling Author Lise Cartwright!)

What Are You Waiting For?

You can be earning money within days of reading this book. And it's less than a cup of coffee.
