The Mazda Miata MX-5 has been a popular car among automotive enthusiasts for more than a decade, and hardly a single one of the more than 500,000 sold has not been customized by its owner in some way. This book provides specific how-to instructions through approximately 35 projects that include both maintenance and modification procedures. Each project is treated separately, giving readers very specific information about the commitment in time, tools, money, and talent for each project.
