The Pop-up Gym: How to Keep Fit Wherever You Are Jon Denoris

Fitness trainer to a host of busy people including actors, TV presenters and politicians, Jon Denoris has created a series of exercises and routines, most of which can be carried out almost anywhere: in the home, at work or outdoors. Hardly any of them require any equipment. Dumbbells and a medicine ball will come in useful for a few of the exercises, and also a stability ball, but that is all. So the exercises can even be done on holiday and can be adapted to work with stand-in equipment. Hence the title *The Pop-up Gym*: a fitness programme you can take with you wherever you go. An easy-to-use, stylish package for people who want to be fit with the minimum of fuss. Suitable for readers who don't have time to go to a gym, don't want to spend a lot of money on equipment and have limited time.
