On the Trail of Space Pirates

Carey Rockwell

On the Trail of Space Pirates Carey Rockwell

This, the third book in the *Tom Corbett* series by "Carey Rockwell" (whoever he was in real life) -- is, like all of the *Tom Corbett* books, something special. It's another tale of the three young men who serve in the Solar Guard as Space Cadets.

And this tale of the cadets' adventures is a story you've got to love, too. We mean, Space Pirates! *Space* Pirates! How cool can you get? There's an Energy Lock Formula that allows the Space Pirates (shiver me space-timbers, matey!) to rob spaceships at will. The Polaris crew must go underground to find the stolen formula. . . !

Neat stuff! Read it now!
