The Glass Kitchen: A Novel of Sisters Linda Francis Lee

With *The Glass Kitchen*,

Linda Francis Lee has served up a novel that is about the courage it takes to follow your heart and be yourself.

A true recipe for life.

Portia Cuthcart never intended to leave Texas. Her dream was to run the Glass Kitchen restaurant her grandmother built decades ago. But after a string of betrayals and the loss of her legacy, Portia is determined to start a new life with her sisters in Manhattan . . .

When she moves into a dilapidated brownstone on the Upper West Side, she meets twelve-year-old Ariel and her widowed father, Gabriel, a man with his hands full trying to raise two daughters on his own. Soon, a promise made to her sisters forces Portia back into a world of magical food and swirling emotions, where she must confront everything she has been running from. What seems so simple on the surface is anything but when long-held secrets are revealed, rivalries exposed, and the promise of new love stirs to life like chocolate mixing with cream.

The Glass Kitchen is a delicious novel, a tempestuous story of a woman washed up on the shores of Manhattan who discovers that a kitchen?like an island?can be a refuge, if only she has the courage to give in to the pull of love, the power of forgiveness, and accept the complications of what it means to be family.
