The Hitchhiker's Guide to the Galaxy Radio Scripts: v. 2: The Tertiary, Quandary and Quintessential Phases Douglas Adams

The remaining books in Douglas Adams's masterpiece are finally to be dramatised on BBC Radio 4, where it first began - and we're publishing the scripts! Twenty-five years after the original radio series of The Hitchhiker's Guide To The Galaxy exploded into the public consciousness, the further exploits of its bewildered hero Arthur Dent are being brought to life in their original medium. This dramatisation of the last three books, Life, The Universe And Everything; So Long And Thanks For All The Fish and Mostly Harmless, features Douglas Adams himself, thanks to the wonders of digital technology, and includes new material written by him specially for the radio sequels. The original Hitchhiker's radio cast is returning; Simon Jones as Arthur Dent, Geoffrey McGivern as Ford Prefect, Susan Sheridan as Trillian, Mark Wing-davey as Zaphod Beeblebrox and Stephen Moore as Marvin The Paranoid Android. The late Peter Jones's great friend, William Franklyn, replaces him as The Voice Of The Book. Also involved are famous names such as Joanna Lumley, Richard Griffiths, Chris Langham, Fred Trueman and Henry Blofeld. The shows will be broadcast in two series in Sept. 2004 and spring 2005. Publication of the scriptbook ties-in with the series climax.
