“I’ve put together this book because I know without any doubt that inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires.

“Inspiration is for everyone! It isn’t reserved for high-profile creative geniuses in the arts and sciences—it’s inherent in our Divine birthright.

“As you read each of the entries within these pages, you’ll find specific suggestions for living *in-Spirit*. I’m offering you a blueprint through the world of inspiration—*your ultimate calling*.”
