Dark Visions

Stephen King, George R. R. Martin, Dan Simmons

Dark Visions Stephen King, George R. R. Martin, Dan Simmons

Take three of the leading names in contemporary horror writing, commission one-third of a book's worth of stories from each, and the result is DARK VISIONS. Stephen King leads off with three stories, including "Sneakers", about a very unusual haunting, and "Dedication", one of the most powerful and unsettling of all his works. Dan Simmons pays homage to Philip K Dick with "Metastasis", one of three highly accomplished stories. And George Martin rounds off the book with the brilliant werewolf novella, "The Skin Trade". DARK VISIONS is a brilliantly original showcase from three masters of the macabre.
