How to Build a Chicken Coop: Learn How to Build a Portable, All-Season Chicken Coop in a Weekend John Miller

Interested in raising your own chickens? Build your own backyard chicken coop this weekend!

As more and more people become concerned with the quality of food they eat, they are moving towards organic, home-grown food supplies.

Chickens are one of the most affordable and easiest animals that can be raised at home -- even in some urban environments. They require minimal maintenance, cost very little to feed and produce abundant eggs year round. Chicken eggs that are grown at home often have higher nutrient content than store bought eggs -- without the harmful antibiotics and hormones that are fed to conventionally raised birds.

In this new DIY book by well known home improvement author John Miller, you'll learn the simple step-by-step process to building your very own portable chicken coop in a weekend.

Miller takes you by the hand and explains the tools and materials you'll need, plus shares tips and hints along the way -- with photos to illustrate the process. You'll have your very own 'round the clock egg supply in no time!

Pick up this book today and start raising your own chickens!
