Pipe Organs of the Rich and Famous Rollin Smith

Largest and most complex of musical instruments, the organ has traditionally been found in churches—from country parishes to great cathedrals—and, for centuries, small “chamber organs” were found in the homes of the elite, most often, royalty. Then, in the mid-19th century, with the application of mechanical blowing devices, organs entered the private homes of the well-to-do and professional musicians. Automatic player devices provided those who could afford them with a self-playing organ and the opulent mansions of the new American aristocracy offered unlimited space for extremely large instruments. Rollin Smith’s *Pipe Organs of the Rich and Famous* is the story of organs in more than 50 private homes—a few residents being more famous than rich. It recounts a time when the organ was not only a symbol of those who had arrived socially, but was considered the ultimate appointment of the luxurious home, indeed, the Home Orchestra of the Twentieth Century. Here you will visit with royalty, captains of industry, famous organists and composers, organbuilders, and those whose names are less familiar, but who were patrons of the King of Instruments on a lavish scale. Profusely illustrated with more than 300 photographs and engravings, this large-format soft-bound book documents the work of more than 25 organbuilders in the United States, England, France, and Germany; stoplists of each instrument is included.

From reader reviews:

Sophia Hartman:

The book Pipe Organs of the Rich and Famous make one feel enjoy for your spare time. You can use to make your capable a lot more increase. Book can to become your best friend when you getting stress or having big problem with the subject. If you can make studying a book Pipe Organs of the Rich and Famous to be your habit, you can get far more advantages, like add your capable, increase your knowledge about a few or all subjects. You are able to know everything if you like available and read a book Pipe Organs of the Rich and Famous. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other folks. So , how do you think about this publication?

Joshua Dunleavy:

What do you consider book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't desire do that. You must know how great along with important the book Pipe Organs of the Rich and Famous. All type of book could you see on many resources. You can look for the internet solutions or other social media.

Thomas Daniels:

As people who live in the particular modest era should be update about what going on or details even knowledge to make them keep up with the era and that is always change and progress. Some of you maybe will update themselves by examining books. It is a good choice in your case but the problems coming to an individual is you don't know which one you should start with. This Pipe Organs of the Rich and Famous is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Chris McCree:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Pipe Organs of the Rich and Famous can make you sense more interested to read.
