When the Devil is Beating His Wife is an inspirational guide to create a new and improved life for victims of intimate partner abuse and those who support them. From the lives of three fictional women survivors, you will identify the causes and actions of abuse, and renew your life with confidence and purpose in about ninety days. Meet Joy, a professional woman with a son and a philandering husband. She built her brand on pretending to be on top of her game, but inside she knows she's a fake. After directing people daily in her demanding job, she is reduced to a puppet in her home, with control over nothing. Next is Kaitlyn, who is in love with a man with demons from his past: anger, mental illness, and low-self-esteem. His erratic behavior forces her to flee and set up barriers to keep him away. Unfortunately, the barriers crash, putting her life in harm's way. Finally, meet Eva. Eva's timid demeanor attracted a man with a history of abuse. Her husband never forgave people in his past for his circumstances, leaving Eva to deal with his revenge. Eva keeps her pain silent for years, until God provides the opportunity to trust Him, and leave with her daughters and her sanity. Through these profiles, move through Month One, where the first recovery steps are revealed in detail. Learn to make an abnormal lifestyle normal, and fill your days with viable, positive activities. Month Two leads to a comfort level with the new routine and appreciation for God's wisdom and grace. In Month Three God's favor is evident to you and those around you. Begin to shine in every situation, and know that if God brought you through the past storms, He won't let you miss your rainbow in the sky. The road to recovery is set and you are on your way to greatness. Without this book, some woman will never know that freedom is only ninety days away with God's divine direction. "Chilling and liberating!" Rev. Ira G. Turpin, Jr. "Wonderful book...compelling stories. I read it all at once." Patricia Fusch, Ph.D.
