Wild Heart (Paranormal BBW Shapeshifter Romance): Double Tree Mustangs Book 1 Angel Winter
Faith is home from college for the summer for some much needed rest and relaxation. Circumstances at school have her questioning just what she's doing with her life, and some less-than-ideal run-ins with the male persuasion are not helping. Good thing Faith has her parents ranch, Double Tree Mustangs, where she can ride out under the summer sun, think, and just be herself.

While out on the range, Faith's expectations of peace and quiet are broken by a series of strange and marvelous events that just may change the course of her life. A run in with the local elusive mustang herd including one magnificent silver stallion is followed by a chance meeting with a handsome yet mysterious stranger who is nearly as wild as the mustangs themselves.

Faith is at the edge of something special, she can feel it, but will she trust in this mysterious stranger who has appeared so suddenly in the middle of the night? What is she to do about the undeniable pull she feels towards this man who is so clearly wild at heart?
