This groundbreaking book will help nonprofit managers think in new and creative ways about how they define and meet the challenges they face--and how to rise above standard practices to lift their organizations to greater performance levels. Using examples of best practices from innovative organizations in both the corporate and nonprofit worlds, *Breakthrough Thinking for Nonprofit Organizations* offers a mix of "how-to" advice and case studies that will guide readers on a new road to creativity. This book will fundamentally change the way nonprofit professionals think about how they do their work--and usher in a new era for nonprofits.
