*Every man's dream AND nightmare: Watching a good wife break bad.*

Ethan's up for consideration to be made a partner at his law firm. That's the good news. The bad news is his competition is Darius, a young Harvard hotshot who has something Ethan lacks: a prized ethnicity. Even worse news: Ethan's tool of a boss, Trevor, promises him the partnership over Darius if Ethan will let him have one hour with his gorgeous wife, Emma. Ethan could even stay in the room and watch. When Ethan brings up the idea to Emma, she's hurt and furious at her spineless husband. She decides to go through with the plan, mainly to **cuckold** Ethan and teach him a lesson. Or is that really her **only** reason?

Things get even more complicated when Darius shows up right in the middle of things and wants a little taste of Emma for himself. As if the **humiliation** of seeing his wife **taken hard and without protection** by Trevor weren't enough, will **cuckold** Ethan be forced to watch his wife get **interracial** with Darius and his massive manhood?

Warning: ADULTS ONLY! This sizzling story was written for adults 18 and over and includes graphic sex scenes.
