Merger Control Worldwide: Second Supplement to the First Edition (Antitrust and Competition Law)

Merger control has emerged as a growing area of competition law within the last decade. Merger operations can impact on a number of jurisdictions and may require regulatory notification and approval in more than one. Merger Control Worldwide provides practitioners and policy-makers with a clear point of reference that will prove invaluable when making decisions and delivering sound and accurate advice in merger cases. The chapters set out the details of every jurisdiction where a mechanism for merger control is in place and make use of flowcharts and diagrams to provide a concise and practical account of the relevant law in each jurisdiction.
